

# ODS Rx \$5 copay value tier medication list: OHSU Student Health Plan

**Effective: Feb. 1, 2009** (For prior effective dates, please contact ODS customer service.)

The medications on this list are available at a \$5 copayment for both 34-day and 90-day supplies. The list is an enhancement to your 2007 preferred drug chart for three-tier copay programs. The medications included on this list are considered safe, clinically effective and provide the greatest therapeutic value based on their per-unit cost. ODS promotes the value provided by these medications by offering them to our members at a \$5 copayment.

Note: The drugs available for a \$5 copayment are subject to change. ODS will report any changes to this list on an annual basis. An updated copy of this list and the Preferred Drug Chart are available at [www.odscompanies.com/ohsustudents](http://www.odscompanies.com/ohsustudents).
