Advantages

- * **Freedom to choose your dentist** ODS is unique in that we have contracts with over 1,800 licensed dentists in Oregon. As the Delta Dental Plan of Oregon, we offer access to over 100,000 dental professionals nationwide.
- * **Professional Arrangements** ODS has specific fee arrangements with our participating dentists to ensure that actual charges made by the dentist do not exceed his or her accepted fees on file with ODS and our Delta Dental affiliates. We believe that the underlying unique feature inherent to all ODS programs is every participating dentist becomes a party to cost control as well as the quality of care. Participating dentists will update your records with your new information and will submit claims to ODS for you.
- * **myODS** is a customized member website with current, accurate and easy to understand information about the member's plan. Log onto www.odscompanies.com/members to access myODS.

Dependent Eligibility

Dependents are lawful spouse, Oregon registered domestic partners and unmarried dependent children up to age 23, including children an employee is required to enroll due to a court or administrative order.

LIMITATIONS

If a more expensive treatment than is functionally adequate is performed, ODS will pay the applicable percentage of the maximum plan allowance for the least costly treatment. If a tooth colored filling is used to restore posterior (back) teeth, benefits are limited to the amount paid for a silver filling. You are responsible for paying the difference.
