SERVICE AREA

Illustrated in the ODS Provider Directory.

DEPENDENT ELIGIBILITY

Dependents are lawful spouse, Oregon registered domestic partners and eligible children to age 26, including children an employee is required to enroll due to a court or administrative order.

OUT-OF-AREA CHILDREN COVERAGE

If your enrolled child(ren) resides outside the service area, we will extend benefits for treatment of an illness or injury, and preventive healthcare and maternity services, as if care were rendered by an in-network physician or provider. Out-of-area dependents must access benefits within a 30 mile radius of their residence, in order for the in-network benefit level to apply.

LIMITATIONS

* Pre-existing conditions for members age 19 and older even if they worsen or reoccur.

Note: *Your plan's six month pre-existing exclusion period will be shortened one day for each day you had "creditable coverage" under another health plan, provided you do not have a 63 day lapse (or longer) in coverage immediately prior to your enrollment date in our plan, or, if earlier, the first day of the waiting period for such enrollment.*

* All medical and surgical admissions must be authorized by ODS.

* The plan has a calendar year maximum of \$750,000 on all essential benefits. In-network and out-of-network benefits for such covered expenses accrue toward the calendar year maximum for each member. Once the maximum is met, coverage for all essential benefits will cease until the next calendar year. Essential benefits include the following: ambulatory services; emergency services; hospitalization including skilled nursing facility; maternity and newborn care; mental health and chemical dependency service; prescription drugs including prescribed drugs administered in a professional provider's office, urgent care center, facility or in conjunction with home health care; covered rehabilitative and habilitative services and devices; hospice care; laboratory tests; covered preventive and wellness services and chronic disease management; pediatric services including oral and vision care, if any.

* Mental illness / chemical dependency (including alcoholism) will be treated the same as other medical conditions except for mental health residential treatment that has a 45-day limit per calendar year.

* When a member has more than one group plan, combined benefits for both group plans will be provided up to, but not exceeding, the maximum plan allowance for all covered services.

* Inpatient rehabilitation benefits are limited to 30 days per calendar year (prior authorization needed for up to 60 days for head and spinal cord injuries); outpatient rehabilitation benefits are limited to 30 sessions per calendar year (prior authorization needed for up to 60 sessions for head and spinal cord injuries).

* Transplant benefits are limited to an aggregate lifetime maximum benefit of \$250,000. Donor costs are limited to a \$25,000 per transplant maximum.

* Hospice benefits are limited to 12 days of inpatient care and 170 hours of respite care.
