## ADVANTAGES

- \* **Freedom to choose your dentist** ODS offers a large network of dentists, having over 2,000 contracted licensed dentists in Oregon participating in our Delta Dental Premier network. As the Delta Dental Plan of Oregon, we offer access to over 131,000 Delta Dental Premier dentists nationwide.
- \* **Professional Arrangements** ODS and other Delta Dental member companies have specific negotiated fees with our participating dentists to ensure that actual charges made by the dentist do not exceed his or her accepted or contracted fees on file. We believe that the underlying unique feature inherent to all ODS programs is every participating dentist becomes a party to cost control as well as the quality of care. Participating dentists will update your records with your new information and will submit claims to ODS for you.
- \* **myODS** is a customized member website with current, accurate and easy to understand information about the member's plan. Log onto [www.odscompanies.com/oebb](http://www.odscompanies.com/oebb) to access myODS.

## LIMITATIONS

If a more expensive treatment than is functionally adequate is performed, ODS will pay the applicable percentage of the maximum plan allowance for the least costly treatment. If a tooth colored filling is used to restore posterior (back) teeth, benefits are limited to the amount paid for a silver filling. You are responsible for paying the difference.

### Preventive (Class I Services)

- \* **Diagnostic** Routine examination and bitewing x-rays limited to once every six (6) months. Full mouth x-rays limited to once every (3) years.
- \* **Preventive** Prophylaxis (cleaning) or periodontal maintenance limited to once every six (6) months. Topical application of fluoride is covered once every six (6) months for members age 18 and under. For members age 19 and up, topical application of fluoride is covered once every six (6) month period if there is a recent history of periodontal disease or high risk of decay. Sealant benefits are limited to the unrestored, occlusal surfaces of permanent molars. Benefits will be limited to one sealant, per tooth, during any five (5) year period.

### Basic (Class II Services)

- \* **Oral Surgery** Limited to extractions and other minor surgical procedures.
- \* **Restorative** A separate charge for general anesthesia and/or IV sedation is not covered when used for non-surgical procedures.
- \* **Periodontic** Scaling and root planning is limited to once per quadrant in any twenty-four (24) month period.

### Major (Class III Services)

- \* **Restorative** If a tooth colored filling is used to restore posterior (back) teeth, benefits are limited to the amount paid for a silver filling. You are responsible for paying the difference. Cast restorations (including pontics) are covered once in a seven (7) year period on any tooth.

### Prosthodontic (Class IV Services)

- \* **Implants** and implant removal are limited to once per lifetime per tooth space. A crown over an implant is covered once per lifetime of the implant.
- \* **Prosthodontic** A bridge or denture (full or partial, including alternate benefits) will be covered once in a seven (7) year period only if the tooth, tooth site, or teeth involved have not received a cast restoration benefit in the past seven (7) years. Specialized or personalized prosthetics are limited to the cost of standard devices.
