MEMBER SERVICES
<p>Through ODS' online service, myODS, you can download your member handbook, view claims status and payment information, search for participating providers, order ID cards, view personal information, and email medical customer service. Log onto www.odscompanies.com/members to access myODS.</p> <p>Dental Optimizer™ is a free resource on myODS that enables you to assess your risk level for oral health concerns and use that assessment to learn about reducing your risks and treatment costs. Dental Optimizer is comprised of a cavities risk assessment, dental health suggestions, and a Savings Optimizer based on a personal survey.</p>

ADVANTAGES

- * **Freedom to choose your dentist** ODS is unique in that we have contracts with over 1,800 licensed dentists in Oregon. As the Delta Dental Plan of Oregon, we offer access to over 100,000 dental professionals nationwide.
- * **Professional Arrangements** ODS has specific fee arrangements with our participating dentists to ensure that actual charges made by the dentist do not exceed his or her accepted fees on file with ODS and our Delta Dental affiliates. We believe that the underlying unique feature inherent to all ODS programs is every participating dentist becomes a party to cost control as well as the quality of care. Participating dentists will update your records with your new information and will submit claims to ODS for you.
- * **Pre-determination:** As a service to our customers, your dental office can submit a pre-treatment plan to ODS on your behalf, and we will return it to your dentist, indicating the dollar allowance that will be covered by your plan **before** you go forward with treatment.

LIMITATIONS

If a more expensive treatment than is functionally adequate is performed, ODS will pay the applicable percentage of the maximum plan allowance for the least costly treatment. If a tooth colored filling is used to restore posterior (back) teeth, benefits are limited to the amount paid for a silver filling. You are responsible for paying the difference.

Preventive (Class I Services)

- * **Diagnostic** Routine examination and bitewing x-rays limited to once every six (6) months. Full mouth x-rays limited to once every (3) years.
- * **Preventive** Prophylaxis (cleaning) or periodontal maintenance limited to once every six (6) months. Topical application of fluoride is covered once every six (6) months for members age 18 and under. For members age 19 and up, topical application of fluoride is covered once every six (6) month period if there is a history of periodontal disease or high risk of decay. Sealant benefits are limited to the unrestored, occlusal surfaces of permanent molars. Benefits will be limited to one sealant, per tooth, during any five (5) year period.

Basic (Class II Services)

- * **Oral Surgery** Limited to extractions and other minor surgical procedures.
- * **Restorative** A separate charge for general anesthesia and/or IV sedation is not covered when used for non-surgical procedures.
- * **Periodontic** Scaling and root planning is limited to once per quadrant in any twenty-four (24) month period.

Major (Class III Services)

- * **Restorative** If a tooth colored filling is used to restore posterior (back) teeth, benefits are limited to the amount paid for a silver filling. You are responsible for paying the difference. Cast restorations (including pontics) are covered once in a seven (7) year period on any tooth.

Prosthodontic (Class IV Services)

- * **Implants** and implant removal are limited to once per lifetime per tooth space. A crown over an implant is covered once per lifetime of the implant.
- * **Prosthodontic** A bridge or denture (full or partial, including alternate benefits) will be covered once in a seven (7) year period only if the tooth, tooth site, or teeth involved have not received a cast restoration benefit in the past seven (7) years. Specialized or personalized prosthetics are limited to the cost of standard devices.
