

Treatment Cost Navigator

Get an estimate of your costs and compare providers before your next office visit or procedure.

INFORMATION FOR BETTER HEALTH

Knowing your options can help you make better decisions about your healthcare. ODS makes it easier than ever to get an estimate of what you'll pay for your next office visit, diagnostic test or other common procedures with our online Treatment Cost Navigator.

PERSONALIZED ESTIMATES

The Treatment Cost Navigator offers a quick, easy way to get useful information about common treatments, including the following:

- › The costs associated with a specific treatment
- › The portion of costs covered by your plan
- › Your out-of-pocket cost, based on your specific benefits

COMPARISON SHOP

In addition, our Treatment Cost Navigator lets you compare costs, side-by-side, among different providers. You can also search by provider or procedure within a certain mile radius, or search providers by language, gender, network status or specialty.
